

Concert Strings 3 Installation - Mac (Using UnRarX)

Download all 7 .rar files from your download list.

Make sure you have also downloaded and unzipped the file "UnRarX_2.2.zip" from your download list.

After you have unzipped it, place the UnRarX application into your Applications folder.

Now, navigate back to where you downloaded all of the Concert Strings 3 .rar files. Make sure that you still have at least 9.4GB of free space on the drive where you downloaded the .rar files. Right-click the first .rar file. Then choose "Open With" and then select UnRarX.

The files will now automatically start extracting the entire Concert Strings 3 Library.

Once the extraction is complete, your Concert Strings 3 Library folder will be located inside the same folder where your Concert Strings

3 .rar files are.

You can move this "Concert Strings 3 Library" folder anywhere you wish. Save the .rar files in the event of losing your extracted library.
